

April 9, 2024

Dear Friend of Erie High School Marching Band/Erie All-City Marching Band Boosters,

The Erie All-City Marching Band Boosters is the 501(C)3 organization serving as an asset to engage students, parents, staff, alumni, and the broader community in the regional success of our high school band. We are committed to connecting private resources with students and staff needs to create exceptional opportunities for students in Erie High School Marching Band. As an organization, we work to help students in the “Five A’s of Success” - Academics, Athletics, Arts, Assistance, and Advocacy.

Please accept this letter as a formal donation request to support the boosters during their upcoming fundraising events to assist in taking the band to perform at the 2024/2025 Chick-fil-a Peach Bowl in Atlanta Georgia. Your donation will be used to directly support the Erie High School Marching Band.

Should you have any questions about the Erie High School Marching Band, or this fundraising endeavor, please visit us on our website at www.erieroyalsmb.org or contact any of our working board members to receive assistance.

Thank you for your commitment to the students of Erie’s Public Schools. With your help, we can make a brighter future for our kids!

Very truly yours,

Elizabeth Lockwood, Booster President
Erie All-City Marching Band Boosters/EHSMB
